

CASA HERMINIA

SUCLAYIN, BALER

Casas Herminia is a two storey private villa located 5 mins away from Sabang Beach. Modern architecture designed residences has two (2) rooms on the first floor and has a Kitchen and Living room area. One Junior suite and a spacious Master Suite. Both Shower Rooms are designed with Italian Luxury Tile Brand Bisazza. Bisazza is known for its beautiful mosaic glass tiles, which brings the Bathrooms of Casa Herminia to another level of sophistication. The Kitchen is also well designed and features the high standard of craftsmanship by KitchenSquare by iMIC. This brings an environment of modern luxury to the kitchen in addition to the Bisazza Mosaic Tiles. The property has a stunning view of the farmlands and the mountains at the back that offers cool breezes during the day. The property is near to the biggest supermarket in Baler and the most advance hospital as well, which is very convenient for family vacation and barkada trips. We are the only property in the area with a parking space for each individual guest, a space for big enough for more than ten cars.

Maverick Intl. Corp. (iMIC) is the management company of Casa Herminia Suclayin Baler, which operates Hotel Rupert Atienza Baler and future developments such as The Waves at Socorro Baler.

The property will have its own Swimming Pool and a featured restaurant.
